The First Annual MMR Show: Summer Movie Rankings

1. **Wedding Crashers** (HAHAHA I'm still laughing about.)
2. **Batman Begins** (The Best Bat-man Movie By Far... glad the bat-suit didn't have nipples.)
3. **Sin City** (A masterpiece painted by blood and guts.)
4. **The Island** (Scarlett Johansen, Scarlett Johansen, Scarlett Johansen... need I say more. The story was good too.)
5. **The Transporter 2** (The original transporter was hard to top but they did it.)
6. **Cinderella Man** (Best cinematography in a boxing film ever.)
7. **Bewitched** (Great idea of rather than copying the TV show. Will Ferrel was a thousand times better in this one than in kicking and screaming.)
8. **The Amityville Horror** (Only movie that has scared me since I was only in the single digits.)
9. **Deuce Bigalow: European Gigolo** (Funnier than the first. Happy Madison is on a roll lately.)
10. **Fantastic 4** (More like the mediocre 4, but the human torch was pretty funny at times.)
11. **Star Wars Episode III** (Very disappointing, mostly because of all the hype. Can you say over-rated)
12. **War of the Worlds** (Could have done better if Tom Cruise wasn't preoccupied by Katie Holmes dating Bat-man)
13. **Kicking and Screaming** (Too much bad news bears, not enough of the normal Will Ferrel. Worst Will Ferrel Movie Plain and Simple)
14. **The Brothers Grimm** (Waste of my money. I would have walked out if my shoes weren't stuck to some spilt pop on the floor. **WORST MOVIE SINCE OPEN WATER!**)
